Fire Resistant Filing Cabinets

The Diplomat Fire Resistant Filing Cabinets are ideal for the home or office. Built with added security to protect your documents and data from fire and theft.

1 HOUR DOCUMENT PROTECTION

DFC2000E   DFC4000E

Features and Benefits

- Secure payroll information
- Secure and file documents
- Drawers can hold up to 50kg
- Each drawer is independently fire insulated when closed
- Ability to allow selected drawers to be permanently unlocked for general access
- Heavy duty slide rails

Insulation
Insulated with reinforced gypsum that is low temperature oven dried to reduce free moisture to less that half a percent. An insulated bulkhead between each drawer provides additional protection.

Internal Fittings
Each drawer is built with high sides to accommodate hanging file folders so no additional frames are required.

Fire Test
Independently tested to the most stringent international standards. 60p, NT Fire 017 - Swedish National Testing & Research Institute (SP).
