Class C - Double Door - SCEC Approved Security Container

Fileguard Security Containers are approved by the Australian Government Security Construction Equipment Committee for the protection of classified material.

The containers are designed to delay access by covert means and to provide visible evidence of any physical overt attack.

They are not designed to protect the contents against prolonged overt attack.

Fileguard SCEC Approved Security Container's unless so specified, do not provide fire resistance.

Key Features:

- Fileguard Class C Double Door Security Containers are supplied with 4 x adjustable shelves per container.
- All Fileguard Class C Security Containers are fitted with a SCEC Approved Bi-Lock supplied with 2 keys
- Finish: The standard finish is Koala Grey Ripple Powder Coat.
